

Declaration REACH (EC 1907/2006)

According to Article 33 paragraph 1 of the REACH Regulation, we as supplier of articles are obliged to inform if an article contains substances of very high concern (SVHC) in a concentration of more than 0.1% by weight (w/w).

Birikim Kablo AS products are articles, not substances or preparations, as defined by REACH. The following requirements of the REACH directive are therefore particularly relevant:

1. Information requirements regarding articles containing substances of very high concern (SVHC) at concentrations in excess of 0.1%.
2. Observance of substances requiring authorisation in accordance with REACH Annex XIV.
3. Observance of the manufacturing, marketing and use restrictions specified in REACH Annex XVII.

Birikim Kablo AS has always shown responsibility and care to promote secure and environmentally friendly products. It is our aim to keep our products safe and to employ substances which are safe to use and represent no health hazard as well as minimise the environmental impact.

We observe all authorisation obligations in accordance to REACH Annex XIV, as well as all restrictions on manufacturing, marketing and use of substances, as defined in Annex XVII of REACH. All products delivered by the Birikim Kablo AS comply with the substance-related requirements of REACH!

The list of SVHC contains 247 substances (as of 21/01/2025).

Birikim Kablo AS hereby confirms that all cables do not contain SVHC above the limit of 0.1% by mass.

** **SCIP - Database for information on Substances of Concern In Products.** SCIP legal obligation established under the Waste Framework Directive, 2008/98/EC target at making recycling of products safer and improve information dangerous chemical content. SCIP notification applies to any EU supplier of an article as such or in a complex object containing substances of very high concern (SVHC) above 0.1% w/w, irrespectively of the position of that supplier in the supply chain.*
